COMMUNITY GUIDELINES

By joining this community, you agree to adhere to the following guidelines. Please be advised that anyone who does not, will be removed without notice.

1

Be kind and courteous. Let's create a welcoming environment by treating everyone with respect, but most of all support and encourage one another. Inappropriate language or strife will not be tolerated. Be advised that you will be asked to leave the community or removed.

2

Respect everyone's privacy. Being a part of this group requires mutual trust. Authentic, expressive discussions make communities great, but may also be sensitive and private. Do not share information or conversations from this community with anyone not in this community. No exception, or you will be removed without notice.

3

I have made every effort to ensure this is a safe place for us to converse. Please feel free to comment and/or ask questions. There will be a mixture of preplanned topics and spontaneous conversations. If the topic of the session is preplanned, you will be given a chance to email me questions.

4

No incognito accounts or profiles please. You must show your face and your first name. The purpose of this community is for connection. And we won't be able to connect if we can't see your beautiful face. 😊

5

I ask that you please not share the Zoom link with anyone. The link will be given to you as your own personal login. Anyone who would like to join the community must register first.
